

**NOTICE OF CORRECTION
CITY OF LORAIN, OHIO**

On November 12, 2020, the City of Lorain posted a Notice of Intent to Request Release of Funds on the city website (www.cityoflorain.org) and www.loraincounty.com for the following activities:

- Community Development Block Grant (CDBG) Program Year 2020 funds
- HOME Funds, Program Year 2017-2020

The purpose of that Notice was to inform the public of the City's intent to request release of HUD program funds to support each project.

The purpose of this notice is to correct certain problems contained in the original notice.

1. The City erroneously identified "Oakwood Park Pool-- pool renovation to become operable" as being part of an environmental review with a Finding of No Significant Impact (FONSI). Based on technical assistance provided by HUD, the city will not include this project in its request for release of funds submission. The city will conduct a separate environmental review for the project as it becomes ripe for environmental review.

Since this correction is limited to notifying the public that the project will not be submitted to HUD as part of the RROF process, there is no need to extend the comment period identified in the original notice. Please refer to the original Notice for more information about the projects identified and related information regarding the City's intent to request release of funds. For additional information regarding the proposed project, the City's environmental review, or this Notice of Correction, including copies of the environmental review, please contact:

City of Lorain Office of Building, Housing and Planning
