HOME Rehabilitation Loan Program

For City of Lorain Residents Only
While funding is available

Home Rehabilitation Program

The City of Lorain HOME Rehabilitation Loan Program affords eligible low-and-moderate income homeowners to make repairs on their home to improve the quality of their lives and create a positive effect in the surrounding neighborhood.

The program provides up to \$45,000 of home rehabilitation to owner-occupied houses in the City of Lorain (includes all closing costs and any administrative costs associated with the loan).

Owner-occupied households must reside within City limits and must not be delinquent on any property, local, state, or federal taxes. A 20% repayment plan contract through the county is required if the property taxes are delinquent.

Applicants' liquid assets must not exceed \$100,000. Assets include cash in checking and savings accounts, money transfer apps (CashApp, Venmo, etc.), certificates of deposit (CDs), and other investments. Applicants who own more than one property will not be eligible to apply.

The City of Lorain reserves the right to withdraw from any project for the following reasons:

1. If the cost of repairs exceeds the value of the property.
2. If the property is in substandard condition.
3. Upon disapproval of the City of Lorain Loan Review Committee
4. Unsatisfactory credit report (will not be the sole factor in determining eligibility)

These determinations will be made at the time of initial inspection and/or appraisal prior to any repairs made to the property.
