UPDATED 2022 Leaf Collection Beginning October 31st

Community-wide leaf collection will begin October 31st, 2022 for approximately one month until every street has been collected at least once. Crews will be covering the entire city following a route, they do not veer from this route; if you have leaves ready to be picked up after November 30, 2022, call the Public Property Office at 440-204-2550 option 2 with your address and we will schedule to have your leaves picked up within a week.

Please rake your leaves to the curb line but do not put them in the street; per Ordinance 311.01(f) it is a minor misdemeanor to place your leaves in the street. Large piles do not take precedence over small piles.

Please remember these important safety tips:

- Do not allow children to play in the leaves near the street or curb.
- Do not place branches or other debris in the leaf piles – this can damage our equipment so doing so may result in the non-collection of leaves.
- Do not park vehicles on or near leaf piles – this will result in the leaves not being collected.
